

Pet Pantry

What is the Pet Pantry? The Pet Pantry is a program available to pet owners who are temporarily facing a financial struggle. This program allows pet owners to visit the shelter once a month to receive food for their pet. The Pet Pantry helps owners during a short-term struggle, which prevents them from having to surrender their pets.

How is the Pet Pantry supplied? The Pet Pantry relies on donations from the community. The amount of donated food available determines how much food can be distributed. Citizens can contact the shelter to see if food is available.

Who is eligible to participate? The Pet Pantry is available to Orange County citizens. A valid ID with an Orange County address must be presented to receive food.
