

What Do I Need to Do to Retire?

Disability Retirement

The Florida Retirement System (FRS) provides disability coverage in order to provide a source of income to eligible members of the FRS Pension Plan and FRS Investment Plan who become totally and permanently disabled and are unable to work.

2. You are responsible for ensuring the following forms in the FRS Disability Retirement Forms Packet are completed and submitted to FRS:
 - ✓ Pension Plan (https://www.rol.frs.state.fl.us/forms/disability-packet_pp.pdf)
 - ✓ Contact your HR representative to complete the Statement of Disability by Employer (Form FR-13a)
 - ✓ Form FR-13b, Physician's Report, must be completed by two different Florida-licensed physicians.
 - ✓ You must complete Form FRS-11o, Option Selection for FRS Members
 - ✓ You must complete Form SA-1, Spousal Acknowledgement Form
 - ✓ A copy of your certified birth certificate. If you don't have a birth certificate, click [this link](#) for other options. (<https://www.rol.frs.state.fl.us/forms/bvr-1.pdf>) If you select Option 3 or 4, you must also submit the birth certificate of your beneficiary/joint annuitant.
 - ✓ Investment Plan (https://www.rol.frs.state.fl.us/forms/disability-packet_ip.pdf)
 - ✓ Contact your HR representative to complete the Statement of Disability by Employer (Form PR-13a)
 - ✓ Form FR-13b, Physician's Report, must be completed by two different Florida-licensed physicians.

Although you may wait until you have an estimate of benefits before selecting an option, the FRS suggests that you complete your option selection form as soon as possible. If you were to die before filing your option selection form (FRS-110 or PR-110) and you had no qualified joint annuitant, under Florida law your selection would default to Option 1, providing no continuing benefit to your beneficiary. You may change your option selection at any time until you are retired but your retirement option may not be changed once your benefit payment is cashed or deposited.

Submit the required forms and documentation to the Florida Retirement System, Disability Determination Section, PO Box 9000, Tallahassee, Florida 32315. For answers to your questions about eligibility for disability benefits, the filing of the application for disability retirement and the disability retirement process, please contact the Disability Determination Section at 877-738-3725 or disability@dms.MyFlorida.com.
