✓The notated public hearing is quasi-judicial in nature. As such, any verbal or written communication with a member of the Board of County Commissioners prior to today's quasi-judicial hearing should be disclosed on the record or made a part of the record during the public hearing by or on behalf of the party who communicated with the Board member to allow any interested party an opportunity to inquire about or respond to such communication. Failure to disclose any such communication may place the party who ultimately prevails at the quasi-judicial hearing at risk of having the Board's decision overturned in a court of law due to prejudice against the party who was not privy to the ex parte communication.

Information regarding meetings held at the County Administration Building between any member of the Board and an outside party may be obtained at <http://www.orangecountyfl.net/visitors/reports/MeetingsReportPage.asp>.

Any person wishing to appeal any decision made by the Board of County Commissioners at this meeting will need a record of the proceedings. For that purpose, such person may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.
