

Head Start grant recipients,

The new guidelines below are required for all federally funded recipients to be applied to your program's website. Please review the following updates and implement them as needed:

- Remove the **ACF or HHS logos** if they appear on your site.
- Add a **disclaimer** to your site to clarify the nature of the content and its alignment. For example:

*This website is supported by Grant Number 04CH011834-01-00 from the Office of Head Start within the Administration for Children and Families, a division of the U.S. Department of Health and Human Services. Neither the Administration for Children and Families nor any of its components operate, control, are responsible for, or necessarily endorse this website (including, without limitation, its content, technical infrastructure, and policies, and any services or tools provided). The opinions, findings, conclusions, and recommendations expressed are those of Orange County Head Start and do not necessarily reflect the views of the Administration for Children and Families and the Office of Head Start.*

Thank you for the work you do on behalf of children and families.
