End of Year Wrap-Up

As 2024 draws to a close, Orange County is marking a significant milestone in its disaster recovery efforts with the completion of key steps in its CDBG-DR programs.

This year, the County's CDBG-DR Action Plan received approval from the U.S. Department of Housing and Urban Development (HUD), unlocking \$219 million in federal disaster recovery funding to assist with unmet needs from Hurricane Ian.

Throughout the year, Orange County has made considerable progress by executing its agreement with HUD, developing essential program policies and procedures, and releasing Notices of Funding Availability (NOFA) and Requests for Applications (RFA) for critical Infrastructure & Public Facilities and Planning programs.

Additionally, the County successfully selected a vendor to administer the Homeowner Housing Rehabilitation and Reconstruction and Rental Housing Rehabilitation programs, setting the stage for the next phase of recovery.
