

## Easement Acknowledgement Form

By signing this document, I/we, as the owner(s) of the property at \_\_\_\_\_ acknowledge that we are aware that the proposed installation of \_\_\_\_\_, Permit# \_\_\_\_\_, the "permitted improvements" encroaches within the easement boundary(s) of a recorded easement, as shown on the plat of \_\_\_\_\_, recorded in PB \_\_\_\_\_, PG \_\_\_\_\_, of the public records of Orange County, Florida.

Despite the fact that Orange County may issue a permit for the installation of the improvements permitted above, I/we understand and agree that the existence of the recorded easement referenced above may affect my/our ability to maintain or keep the improvements permitted above, in this location in the future. I/we understand and agree that if an entity or party that is benefited by the easement requests or requires removal or relocation of the fence or structure, it is my/our sole responsibility to remove or relocate the permitted improvements at my/our sole expense. I/we also understand and agree that we will not damage any facilities or that may be located within the recorded easement, including underground, and that I/we are solely responsible for the costs of any damages to any such facilities.

Furthermore, I/we acknowledge and agree that before installing the permitted improvements, it is my/our responsibility to review applicable deed restrictions and/or consult with the Homeowners Association or Architectural Review Board, if applicable, to make sure that the permitted improvements will not violate any deed restrictions or Homeowners Association rules or regulations.
