

Avalon Road (CR545) and Flemings Road

PRELIMINARY DESIGN STUDY

Newsletter Volume 1

VIRTUAL PUBLIC MEETING

Orange County Transportation Planning Division is conducting a Preliminary Design Study (PDS) to evaluate the addition of travel lanes to the existing 2-lane sections of CR545 (Avalon Road) from south of Hartzog Road to north of Water Spring Boulevard, a distance of approximately 2.6 miles and Flemings Road from the Lake County line east to CR545, a distance of approximately 1 mile.

The PDS is Orange County's detailed project development process used to evaluate potential roadway improvement options and recommendations and address anticipated mobility needs of the corridor. In addition, the study will assess both social and environmental impacts associated with the planned road improvement. The proposed improvements are intended to enhance traffic flow and safety in the area. The County invites you to attend a virtual community meeting to review the preferred alternative under consideration and provide input.

In light of COVID-19, the public meeting will be held virtually over the internet as a free, live presentation on **October 27, 2021 at 6:00 p.m.** with a welcome from District 1 Commissioner, Nicole H. Wilson, followed by a presentation regarding the study process and the preferred alternative.

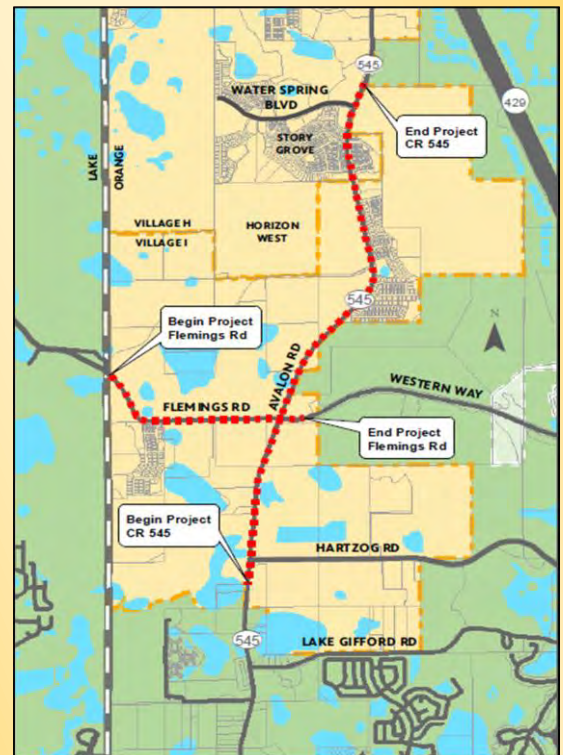

We apologize for the technical difficulty at our September 22 meeting and ask that you log into this WebEx meeting via your Chrome or Firefox web browser by visiting the project website <https://www.ocfl.net/CR545&FlemingsRd> and click on the virtual community meeting link provided on the homepage under "Public Involvement". Enter your name then click enter via the web browser. This meeting will also be broadcast on Facebook live via Commissioner Wilson's Facebook page. There will also be a link to a brief online survey that we would like to use to get your input about certain aspects of the project.

WAYS TO STAY INFORMED

A key component of this study is feedback from the public. The County will host one community meeting to exchange information and obtain feedback from stakeholders and the general public in regards to the preferred alignment and drainage alternatives for this project. Upcoming meeting schedule:

Community Meeting – October 27, 2021.
Planning and Zoning Commission (PZC) Hearing – TBD
Board of County Commission (BCC) Hearing – TBD

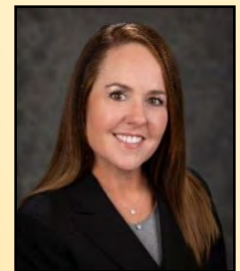

Wednesday, October 27, 2021
Beginning at 6:00 p.m.
Web Based Presentation

On behalf of Mayor Jerry L. Demings and District 1 Commissioner Nicole H. Wilson, Orange County is pleased to update you about the CR 545/Flemings Road Preliminary Design Study.

Orange County Mayor
Jerry L. Demings

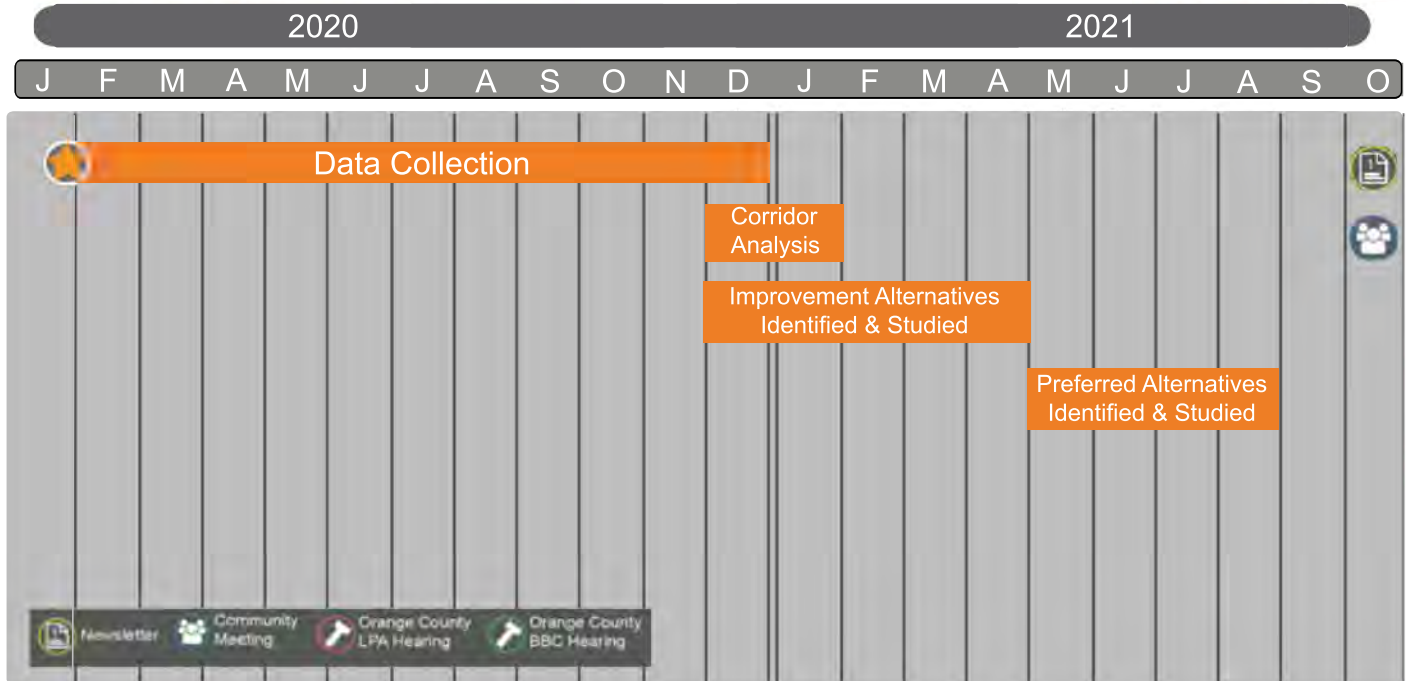

Orange County District 1
Commissioner
Nicole H. Wilson
