

Learn How to Work with **Valencia College**

Free information sessions for current and prospective vendors

Join our Procurement team to learn how to get started, what we look for in vendors and how to successfully do business with the College. These sessions are open to the public and designed for local businesses, service providers and community partners.

We'll walk you through:

- **How to register as a vendor**
- **How to find and respond to business opportunities**
- **What to expect when working with Valencia College**
- **Common requirements and helpful tips for success**
