COMMUNITY MEETING NOTICE

Septic to Sewer Project

Orange County Utilities is planning a new gravity sewer collection system in the Palms I and Palms II subdivisions, an associated wastewater pump station in a nearby common area, and a transmission force main in the public right-of-way. The project would also include connecting individual residences to the sewer main, abandoning existing septic tanks, landscaping and site restoration, resurfacing roadways (materials to match existing), and installing a new irrigation service connection with a meter at each residence.

At the end of October 2021, a ballot will be sent via U.S. Mail to your address. You will use this ballot to vote on the septic to sewer initiative for your community, and it must be returned via U.S. Mail. A community meeting concerning this project will be held in early November as follows:

Date: Tuesday, November 2, 2021
Time: 6:30 p.m.
Location: Clay Springs Elementary School
Cafeteria
555 North Wekiwa Springs Road
Apopka, FL 32712
(Map attached)

All attendees must wear face masks and practice social distancing.

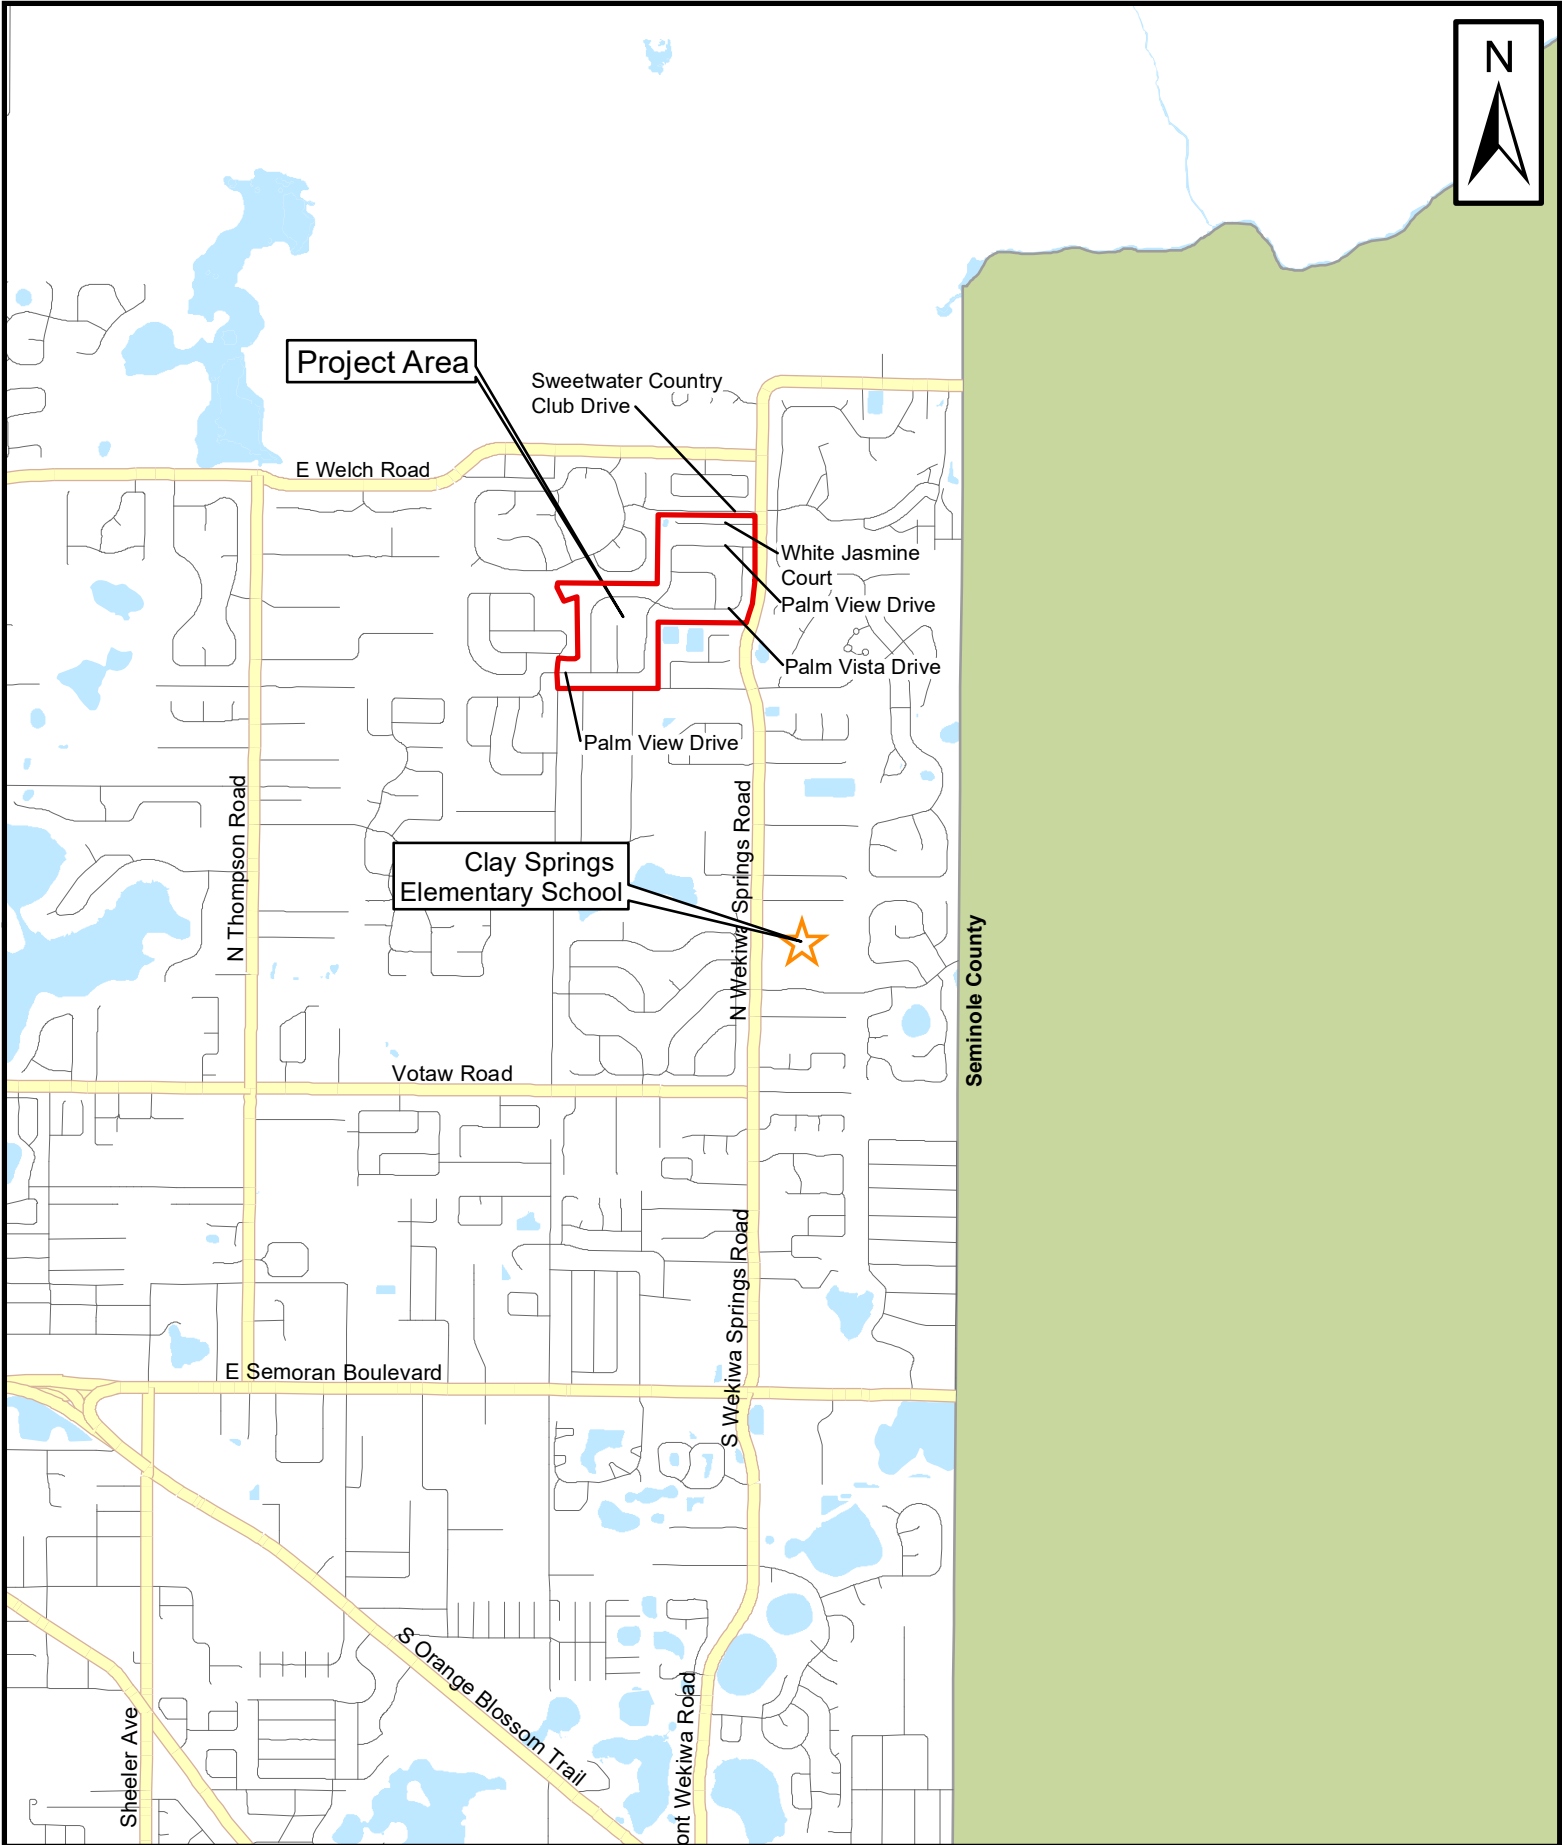

You are encouraged to attend this meeting, where Orange County Utilities staff will present updated project information, review the ballot and deadlines, and answer any questions.

If you have any questions or need additional information, please contact the Orange County Utilities representative listed below.

In accordance with the Americans with Disabilities Act (ADA), if any person with a disability as defined by the ADA needs special accommodation to participate in this proceeding, then not later than two (2) business days prior to the proceeding, he or she should contact:

Kirsten McElhinney
Orange County Utilities Engineering Division
Phone: 407-254-9941
Email: Kirsten.McElhinney@ocfl.net

Para más información, por favor llame al Departamento de Servicios Públicos del Condado de Orange y pida hablar con un representante en español. El número de teléfono es 407-254-9900.
